*for more details, see Call;

** for more details, SME will be contacted by the partner in charge of the proposal.

Present lists do not include SMEs that have not passed eligibility check, quality check or both.

VOCABULARY:

Eligible and selected for funding: *all requested administrative documents are submitted, the description of the project received a score over the minimum threshold and the proposal is highly ranked within the number of SMEs per country that can receive funding among the available budget;*

Eligible but not selected for funding: *all requested administrative documents are submitted, the description of the project received a score over the minimum threshold, but the proposal is ranked in a lower position,whit not available budget in that country: depending on the score and consequent ranking, the proposals with higher score will be inserted in a reserve list, in case SMEs selected for funding fail to sign the Agreement or withdraw from the project.*

Not eligible: *some administrative documents are missing even after request for integration, the description of the project in the application form received a score lower than the minimum threshold; those proposals are excluded from the list of eligible projects and cannot be selected for funding.*
